

# DE LA SALLE ACADEMY

## Math Teacher, Grades 6-8

### **Mission:**

De La Salle Academy is a private, independent, non-sectarian middle school located in Manhattan. The school's student body includes students from across New York City. De La Salle is the only private, co-educational, independent school in New York City for academically talented, economically less advantaged students in grades six through eight. Students and adults commit to living in community through a purposefully rigorous academic curriculum, strong core values, a profound knowledge of self, and a desire to serve the array of communities we represent. De La Salle believes in a need-blind admissions process to ensure that students are evaluated based solely on their merits and not on their families' ability to pay.

### **Position:**

De La Salle Academy seeks a full-time mathematics teacher for the 2022-2023 school year. Potential candidates should be aligned with the school's commitment to develop each child's mind, body, heart and spirit both inside and outside the classroom.

### **Qualifications and Skills:**

- Bachelor's degree in a STEM field required.
- Experience working with racially and economically diverse student and family populations.
- Commitment to engaging with diversity, equity, inclusion and justice work.
- Teaching experience in middle school is preferred.
- Excellent oral and written communication.
- Attentiveness to the social-emotional needs of young adolescent students.
- Willingness and desire to mentor students.
- A passion for innovation and ongoing professional development.
- Ability to work collaboratively with other teachers and administrators.
- Ability to teach advanced arithmetic, geometry and algebra 1.

### **Key Responsibilities Include:**

- Teach multiple grade levels of middle school math.
- Facilitate advisory and homeroom periods.
- Teach elective courses in math or science.
- Participate in faculty, grade-level and department meetings.
- Advise student clubs or activities.
