Will there be a reunion this year?

This is the reunion! As a way to celebrate our 40th all year long, we had an elevated Homecoming at City Ice in November, social media shout-outs of our amazing alums all year long, and of course, this 40th Celebration event.

Will there be entertainment?

Yes! There will be speeches and a DJ! So get ready to dance! And don't forget to smile as our photographer roams around throughout the night, capturing this momentous occasion.

Why are there different ticketing prices?

At DLSA, we strive to be as equitable as possible in all that we do, as this principal lies at the core of our work. We have extended the option of donating a ticket for a young alum, faculty, or staff member to ensure that all members of the community have the chance to celebrate De La Salle's 40th anniversary. All of the funds raised at our 40th celebration will go to educating and supporting the students of De La Salle Academy.

How much of my ticket is tax-deductible?

All contributions above the ticket price are tax-deductible. We will provide a receipt with the breakdown of your ticket price after the event. Please consult with your tax advisor to understand the exact tax implications based on your individual situation.

Can I use my Donor Advised Fund (DAF) to purchase tickets for this event?

You cannot use your DAF to purchase tickets to a benefit event, even if the event supports a 501(c)(3) nonprofit. The IRS prohibits using DAF funds for transactions that provide a personal benefit to the donor, including event tickets, meals, or auction items. However, if you want to support DLSA/the benefit through your DAF, you can:

- 1. Make a grant directly at the sponsorship or corporate sponsorship level you choose (without receiving tickets or benefits in return).**
- 2. Personally purchase tickets to the Benefit separately.**
