

DE LA SALLE ACADEMY

De La Salle Academy is a private, independent, non-sectarian middle school located in Manhattan. The school's student body includes students from across New York City. De La Salle is the only private, coeducational, independent school in New York City for academically talented, economically less advantaged students in grades six through eight. Students and adults commit to living in community through a purposefully rigorous academic curriculum, strong core values, a profound knowledge of self, and a desire to serve the array of communities we represent.
